

## OFF-THE-SHELF

# VS.

## CUSTOM BUILT

Cost-effective

Quick to launch

Reduced burden on internal resources

Relevant content

Branded for your company

Flexibility in components

(video, animation, graphics)

## BLEND FOR A MORE POWERFUL CURRICULUM:

- ➡ Cover core topics with customizable off-the-shelf modules.
- ➡ Mix in smaller, custom mini-modules to space the learning and support core learning.
- ➡ Add gaming and other components to reinforce learning and drive behavior change.
